

## *Sermon notes:*

### *Good Gardening Series*

#### **Week 1** -- Rom 10: 8-13

The good soil of faith requires that we CONFESS with our mouths that JESUS is LORD and believe within our hearts that he was RESSURECTED from the dead.

#### **Week 2** -- Phil 3:17-4:1

Mentors are vital to our spiritual growth. In addition to support in life they help us gain greater CLARITY and UNDERSTANDING of Scripture. Most importantly mentors help us APPLY the principles of truth in our lives and hold us ACCOUNTABLE for learning to develop HOLY HABITS. Mentoring is built upon TRUST which is gained through each person in the mentoring relationship learning to be OPEN and TRANSPARENT.

#### **Week 3** -- 1 Cor 10:1-14
