How to wear your Poppy

*The lapel Poppy should be worn during the Remembrance period, from the last Friday in October until November 11.

*The Poppy should be worn with respect on the left side, over the heart.

*Poppies may be worn throughout the Remembrance period, including in the evening after Remembrance Day Ceremony.

*We invite everyone across the country to honour and remember Canada's Veterans by proudly wearing this symbol of Remembrance and taking a moment to reflect.
