Wednesday was Valentine Day

Greetings people of God

It is not often that two big concepts meet on one day. Wednesday was Valentine Day-and also the beginning of lent. Lent is the special time of Christian dedication leading to Easter. What a powerful day for us people of God. We have a dual affirmation of God's love. We can truly say we are God's favourite valentine and there is a cross to prove it. We can survive the storms of life literal and otherwise celebrating the great love of God.

Blessings for a productive lenten season.
